Self-Help / Personal Growth

May 2007

Sail into Your Dreams is the perfect book for anyone who's ever asked, "Is this all there is to life?"

Unsatisfied with her busy life in Seattle, Karen Mehringer embarked on a six-month, life-changing ocean odyssey to Australia, Indonesia, Fiji, and, most importantly, toward the joyful, fulfilling life she had always wanted.

You don't have to leave land to make your dreams come true. Karen shares the wisdom and practical tools she learned on her ocean odyssey, showing us how to focus on what truly matters. Journal entries and inspiring stories from Karen and others highlight how to slow down, nurture yourself, connect with others, and tap into your life force energy—the source of infinite possibilities.

This eight-step program will help you assess your life and eliminate toxic relationships, emotional trauma, physical clutter, and debt—making space for new experiences that awaken your passion and spirit.
